

IVAM Marketing Award Asia @ MMA

Compared to large corporations, small and medium-sized companies face particular challenges when launching marketing campaigns in new markets. The IVAM Marketing Award takes this into account and awards SMEs that show how to present themselves to the world even with a tight budget. IVAM has awarded the prize annually in Germany for more than 10 years and is bringing it to Asia for the second time in 2024 in cooperation with MEDICAL MANUFACTURING ASIA.
